## Sundre Seniors Housing & Care Committee Survey

---

***The Committee is focused on working with partners  
to address Housing, Quality of Life, and Accessibility  
for Senior's in the Sundre Community and Area.***

---

**This survey is being conducted by the Committee  
and in Partnership with the Town of Sundre and Greenwood Neighbourhood Place.**

Sundre Seniors Housing & Care Committee main focus is on:

- All types of housing
- Housing privately owned and operated or governments run
- Low cost or for those with more income.
- All types of Senior housing

This survey will focus on four areas to develop strategies, implement new programs and expand on existing ones.

**1. Communication    2. Learning & Activities    3. Transportation    4. Seniors Services**

**This questionnaire will also help us to access funding for the above mentioned programs.  
Please help us to project an accurate picture by filling out this survey
