

**Subject: 20?? FCSS Funding
«Project_Name»**

We have reviewed the funding request for \$«Funding_Request_Total» for «Project_Name» and have concluded that FCSS will not be able to support this proposal. Although we recognizes the value added to the community through this project, it is not eligible under the FCSS Act as it is not in the domain of preventive social services.

On behalf of FCSS Calgary I thank you for your application and for your commitment to your work in the community.
