

## **PIVOTING for 2024: Join us at Jubilations!**

***Yes, a big change is coming for 2024!***

*We're PIVOTING away from the usual dinner and entertainment on the Thursday evening in the hotel ballroom and instead for 2024, we will be making the most of what West Edmonton Mall has to offer – JUBILATIONS!*

***Thursday, November 13, 6:30 – 10 pm***

*Sandy and Danny may have graduated, but there is still plenty of grease to go 'round. Come back with us again to the bygone days of sock hops and bobby socks, soda jerks and super nerds, and most of all, greasers.*

*It's that first era of rock and roll music with the songs we all know and love. Join us at Jubilations Dinner Theatre as we go back one more time to get More Greased!*

### **What to Expect**

- Incredible Experience

### **What is on the menu?**

Menu selections change with every show. However, it is always a multi-course dinner consisting of a set appetizer, a choice of dinner entrée and a choice of dessert. The dinner entrée choices always include beef, chicken, fish or seafood and a vegetarian selection.
