Marking 60 Years of FCSS in Alberta

This year marks 60 years of Family and Community Support Services.

To kick off the celebrations, we're sharing the 60th Anniversary logo suite for programs to begin using as we recognize this milestone together. Programs are encouraged to use the 60th Anniversary logo throughout 2026 to celebrate this achievement and highlight the long-standing impact of FCSS in Alberta communities.

Suggested ideas for use:

- Add to websites, email signatures or social media banners
- Include in newsletters, presentations and annual reports
- Use on posters, brochures, letterhead

Here's to 60 years of building strong, connected communities and to the work still ahead. Download the 60th Anniversary logos and start celebrating with us today!
